### COVER LETTER

---

To the Hiring Manager,

I am writing to express my interest in the Frontend Developer position. I am a self-motivated developer currently pursuing a B.Sc. (Honours) in Physics while actively building my skills in modern web development.

I have strong knowledge of HTML, CSS, JavaScript, and React, and I have developed multiple responsive web applications as personal projects. Through solving over 100 programming problems, I have strengthened my logical thinking and problem-solving abilities.

I am passionate about building clean, maintainable, and user-friendly interfaces. I am continuously learning new technologies and best practices to improve my development skills and contribute effectively to a professional team.

I am eager to begin my career as a frontend developer and contribute to real-world projects while growing within a dynamic organization.

Thank you for your time and consideration.

Sincerely,

Ertaza Tanbir
